

Pack For A Purpose

MEANINGFUL TEAM BUILDING. MEASURABLE IMPACT.

CORPORATE
ENGAGEMENT

When companies and communities come together, incredible things happen! Pack for a Purpose is a hands-on volunteer opportunity at the Fargo statewide distribution center and Bismarck regional service center that offers your organization the opportunity to make a direct and lasting impact in the mission to end hunger across North Dakota and Clay County, Minnesota.

THE EXPERIENCE

Duration: 1.5 hours

Group size: Up to 15 team members

Suggested donation: \$2,500

Your support helps offset food, program, transportation and operational costs, allowing more resources to go directly towards providing our neighbors with the food they need to thrive.

WHY PARTNER WITH US?

Your organization's participation goes beyond the packing event. It fuels the mission to end hunger and supports the systems that deliver more than 13 million meals each year to those who need them most.

This is purpose-driven engagement that's clear, collaborative, and community-focused.

WHAT'S INCLUDED

- Volunteer activity: a structured and engaging food-packing session led by Great Plains Food Bank staff.
- Warehouse walk-about: a behind-the-scenes warehouse tour and an overview about the work to end hunger, how in mission, together with you, neighbors and communities are served.
- Great Plains Food Bank logo: authorization to use for social media.
- Digital team photo: provided to your group leader, with authorization for social media use.
- Printed custom certificate: provided to your group leader, recognizing your team's contribution and perfect for display.
- Recognition of your Pack for a Purpose team: on social media with a photo from your packing session, and your logo will be featured on the digital welcome screens in the volunteer lobby and repacking area.
- As a thank you: light snacks and Great Plains Food Bank swag will be given to your team for their time and support.
- Optional facility access add-ons: Reserve the conference room in Fargo or Bismarck before or after your packing session (based on availability and with an additional donation). These spaces feature large presentation screens, camera and speaker capability, internet access, and the flexibility to bring in or cater food. If desired, a Great Plains Food Bank team member would be happy to join you for a Q&A session tailored to your group's interests and engagement goals.

JOIN US!

Together, we can end hunger today, tomorrow, and for good.
